

GOLF COURSE NEWS:

Well the weather may not be cooperating for those farmers wishing to get all of the crops off; but that has not stopped the Acme Golf Club from proceeding on with course improvements, upgrades and winterization projects.

COURSE ACTIVITIES (OUTSIDE):

- The Acme Golf Club recently completed fall projects which consisted of: many hours of dirt work, winterization, planting several hundred feet of Saskatoon bushes and over twenty new pine trees. This additional vegetation has been placed in excellent locations around the course to add esthetics and additional challenges to your game in future years.
- In addition to the new trees, the Acme Golf Club is in the process of expanding the “lake” in front of Hole Eight (8) green. The new venture consists of removing over 20000 cubic meters of clay/fill in order to double the holding capacity of the water for next year.
- The Acme Golf Club is looking for large cement blocks to complete an upgrade to the Hole Eight (8) green. We will be eliminating the North (front) of this green where it used to slope towards the water and adding a retention wall and water beginning where the green is flat.
- The amount of positive change the Acme Golf Club has gone through over the past few weeks has been amazing! The Acme Golf Course wishes to send a very heart-felt “THANKS” to the following people who assisted in the projects:
 - **Lloyd Miller Mike Krenzler Rick Hagel Larry Weisgerber**
 - **Eldon Boake Al Whymark Dwanye Hanson Lynn Spence**
 - **Laurie Watson Jason Bates Russell Friend**

CLUBHOUSE ACTIVITIES (INSIDE):

- The Acme Golf Club is looking into hosting/catering meetings and events over the winter months. With internet access, comfortable seating for up to 30 guests and a licensed kitchen, your guests will be able to stay focused on the meeting and also be able to enjoy some networking/hospitality time after the event. All of these activities can be enjoyed without having to organize another venue! As this new initiative unfolds, please stay tuned for pricing and catering options as well as details on how to reserve your meeting space.

UPCOMING ACTIVITIES/ SPECIAL EVENTS:

- **NOVEMBER 21st the Acme Golf Club will be showing UFC106! This UFC fight card is jam-packed with excitement and features (Brock Lesnar, Forrest Griffin and even Tito Ortiz!). The Acme Golf Club will be sending out additional emails as well as posters throughout the community... be sure to tell your friends as seating will be limited!!!**
